YEROTH—ERP—3.0 is an **ERP software—system** with 6 user roles, and types:

- 1) « Administrator »
- 2) « Manager »
- 3) « Seller »
- 4) « InventoryStockManager »
- 5) « Cashier »
- 6) « StoreKeeper ».

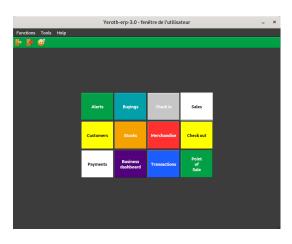

## YEROTH-ERP-3.0 features:

- 1) inventory-stock-management
- 2) alerts over stock-quantity, and, time-period
- 3) stock-buying-management
- 4) sale-management (stock-checkout, etc.)
- 5) customer-relationship-management
- 6) business dashboard
- 7) user-, and role-administration.

## YEROTH-ERP-3.0 is:

- 1) lighter, and, faster, in memory—usage
- 2) easier, and, intuitiver, in its use
- 3) multi-sites (enabled).

YEROTH—ERP—3.0's runtime memory usage test is realized using software—analysis tool **valgrind**.
