YEROTH—ERP—3.0 is an **ERP software—system** with 6 user roles, and types:

- 1) « Administrator »
- 2) « Business manager »
- 3) « Cashier »
- 4) « Seller »
- 5) « Stock manager »
- 6) « Storekeeper ».

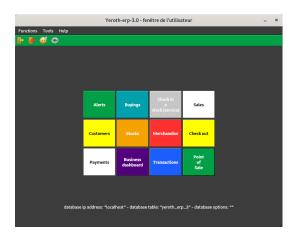

YEROTH-ERP-3.0 features:

- 1) alerts over stock-quantity, and, time-period
- 2) business dashboard
- 3) customer—relationship—management
- 4) sale-management (point-of-sale, etc.)
- 5) stock—management (check in, etc.)
- 6) user—, and role—administration.

YEROTH-ERP-3.0 is:

- 1) easier, and, intuitiver, in its use
- 2) lighter, and, faster, in memory—usage
- 3) multi-sites (enabled).

YEROTH—ERP—3.0's runtime memory usage test is realized using software—analysis tool **valgrind**.
